Bellingdale Farm

Bellingdale Farm is a secluded 130 acre oasis of pristine Australian countryside with spectacular views of Mount Warning and the surrounding hinterland. Conveniently located in the Tweed Hinterland, between Byron Bay and the Gold Coast's pristine beaches, Bellingdale is just 25 minutes from Gold Coast airport which is perfect for destination weddings, yet feels like a world away.

The original 100+ year old dairy homestead is at the heart of the working farm, steeped in history with old world charm and stunning features such as large feature beams, Australian hardwood floors, wrap around verandahs, wrought iron sky lights and balustrades to create a warmth like no other.

Bellingdale Farm's romantic garden setting includes wisteria, lavender and stunning views across the rolling green hills to Mount Warning and beyond. Truly the perfect place to enjoy canapés and drinks whilst watching the sunset, by night this area is transformed with a canopy of alluring festoon lighting. An abundance of stunning wedding photo backdrops can be found within Bellingdale Farm from a large lake, to open fields and views of Mount Warning.
